

SAMARTH AUTOMATION

Manufacturing of All types Resistance welding Machines (Spot, Projection, Seam etc.)
SPM and Automation Roll Forming Line for transformer radiators (Roll Forming , Spot,
Seam, Edge Trimming, Pipe Notching, Fixture for Radiator to Pipe Welding)

ABOUT US

Samarth automation is a rising company of manufacturing of precision components , all types spm's and automation in resistance welding machine as well as non welding application also.

Mr. Balasaheb Bhandwalkar is founder of this company and he has a more than 30 years experience in this field.

- 1) Samarth automation have a manufacturing facility tool room and assembly center at Nahre Pune about more than 3000 sqft
- 2) Samath Automation have a technical team for production tool room as well as spm Assembly and they have 20 + years experience in this field.
- 3) Samarth Automation have a very good and much more experienced technical team of designing of spm's and Automation.
- 4) Also have a experienced team of PLC / Servo / Robotic programming

OUR INFRASTRUCTURE

CNC MACHINES - 02 NOS
VMC MACHINES - 02 NOS.
M1TR MACHINE - 01 NO
LETH MACHINE - 01 NO
RADIAL DRILLING MACHINE - 01 NO
SURFACE GRIDING MACHINE - 01 NO
AIR COMPRESSOR - 01 NO
BAND SAW CUTTING MACHINE - 01 NO
SURFACE PLATE - 01 NO
HEIGHT GAUGE - 01 NO
VERNIER CAPILPER / MICOMETER
MULTIMETER
WIRE CRIMPER
HAND DRILLING MACHINE
HAND GRINDER / SANDER

OUR VISION

To design , develop and supply the cost effective , simple to operate , high productive, consistent quality output machines on time delivery.

2025 - Stabilize the company in Indian Market.

2026 - Develop the spm's and Automation in Welding / non welding

Application and center in over seas market

2027 - To Capture the over seas market

2026 - Expand the company scale and make the company one of the

Leading support of Welding / Non Welding Spm's Automation in over seas market.

2029 - To make the company one of the leading exporter in India.

2030 - to achieve the target of 50cr turnover

OUR SERVICES

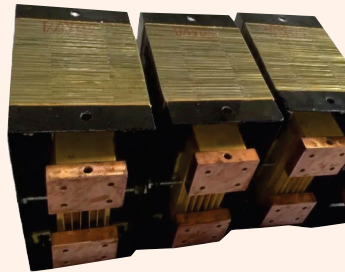

SPARES - ALL TYPES WITH IN 2 DAYS FROM THE DATE OF ORDER FOR RESISTANCE
WELDING MACHINE ELECTRICAL AS WELL AS MECHANICAL
PLC PROGRAMME UPDATION / MODIFICATION
AMC / AS AND WHEN REQUIRED SERVICING TO ALL TYPES OF RESISTANCE WELDING
MACHINE, SPM AND AUTOMATION INCLUDING POWER SECTOR ROLL FORMING LINE.

OUR PRODUCTS

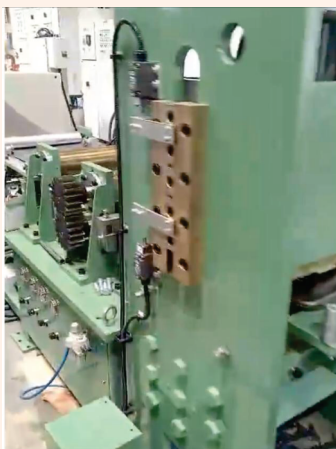

- 1] PRECISION CNC COMPONENTS AS PER DRAWING
- 2] PRECISION VMC COMPONENTS AS PER DRAWING
- 3] WELDING FIXTURES
- 4] ASSEMBLY FIXTURES
- 5] ALL TYPES SPARES FOR RESISTANCE WELDING MACHINE MECHANICAL
AS WELL AS ELECTRICAL
- 6] ALL TYPES OF JIGS
- 7] AUTOMATION IN WELDING / NON WELDING MACHINE
- 8] SPM WELDING / NON WELDING
- 9] WELDING CONTROLLER
- 10] RESISTANCE WELDING MACHINES [SPOT, SEAM , PROJECTION ETC] AND
IT'S AUTOMATION
- 11] ROLL FORMING LINE FOR TRANSFORMER RADIATOR
- 12] NEW PLC PROGRAMMING / UPGRADTION / MODIFICATIONS
- 13] IMPORT / EXPORT CONSULTANCY

SPOT WELDING CONTROLLER

SPOT WELDING TRANSFORMER

ROLL FORMING MACHINE

TABLE MOUNTED SPOT WELDING M/C

PROJECTION WELDING M/C
